Dear Pastor and Friends,

Thank you – Last week I sent an e-mail requesting prayer for Reuben van Harren. He was involved in a paragliding accident and it was discovered that he had a large tumor on the right side of his brain. He had surgery on Thursday and the doctors were able to remove 95% of the tumor. The medical staff at the hospital have been amazed at his recovery and Reuben attributes it to the prayers of God’s people. Please continue to pray for him, his wife, Megan, and their two little ones.

Quick Trip – I was able to make a short trip to the States to preach the Anniversary Services of my good friend, Melvin Speicher. Mel has been pastoring the Faith Baptist Church in Interlachen, FL for 25 years. It was a joy to be with him and his church on this joyous occasion. I was able to bring a young man from our church, Nathan Cooper, who was able to preach and share his testimony in several churches and schools, he saw snow for the first time and made his first snow man.

Baptism – Right before we left for the States, I had the opportunity of baptizing three believers. It was such a blessing to hear their testimonies and see their commitment to follow Christ.
