

# Sam & Rhonda Wilson to the Jewish People

Reaching Jewish people. Helping churches reach Jewish people.

**But go rather to the lost sheep of the house of Israel. Matthew 10:6**

January 2019

Dear Praying Friends,

I recently preached in a small town high in the mountains of North Carolina. I asked the congregation, "How many of you know a Jewish person?" There are Jewish people just about everywhere in the United States, but I suspected that Glendale Springs might be an exception. I was wrong. I was surprised when many of the people indicated that they know Jewish people. There are 5.4 million Jewish people in the U.S. That's 38% of all the Jewish people in the world. The mission field is HERE! Are you reaching the Jewish people in your area? I would love to serve your church, equipping you to evangelize the Jewish people in your area.

There are Jewish people in just about every town, but the greatest concentrations of Jewish people are in the big cities. I am happy to minister anywhere, but I'm especially excited about opportunities to work with churches in strategic cities with large Jewish populations. In the next three months, I'm scheduled to minister to churches in or near **Boston** (260,000 Jewish people), **Pittsburgh** (42,200), **Denver** (83,900), **Atlanta** (160,000), and **Kiev** (100,000). In June, I'll lead IBJM's mission trip to **New York City** (1,538,000), the city with the world's largest Jewish population. My ministry is **to evangelize** Jewish people and **to equip** local churches to evangelize the Jewish people in their cities. I preach to awaken the church to the need to share Christ with their Jewish neighbors. I lead seminars to teach them how to effectively minister to Jewish people. I lead special Jewish outreaches and provide the church with continuing support in Jewish ministry. Please pray about the ministry in these cities in the coming days.

I am thrilled by the ministry God has given me! But the work is many, many times greater than I can do. I am praying for two men for each of the U.S. cities with 100,000+ Jewish people—one to plant a church, another to equip the existing churches to evangelize the Jewish people. Currently, we have just 3 of the 18 men needed. Will you pray for the Lord to raise up 15 men to join us in this ministry?

**Is God calling you to serve as a missionary to the Jewish people?**
